

Final

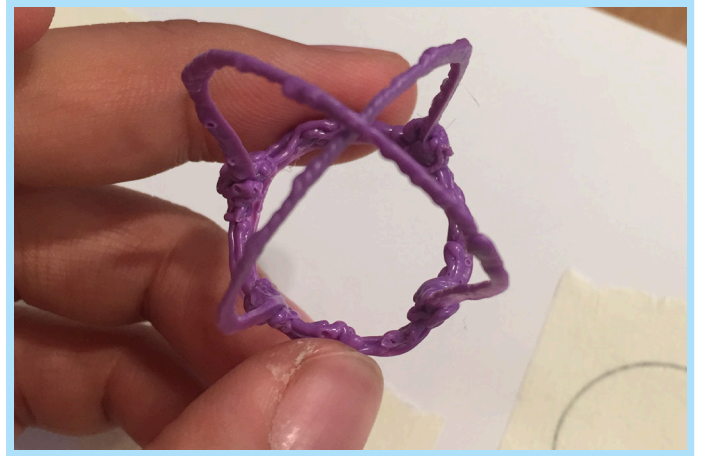

Using this stencil you can create your very own Octopus with our Cool Coral ABS mixed pack. Fill in all the pieces and then put them together piece by piece.

Step 1

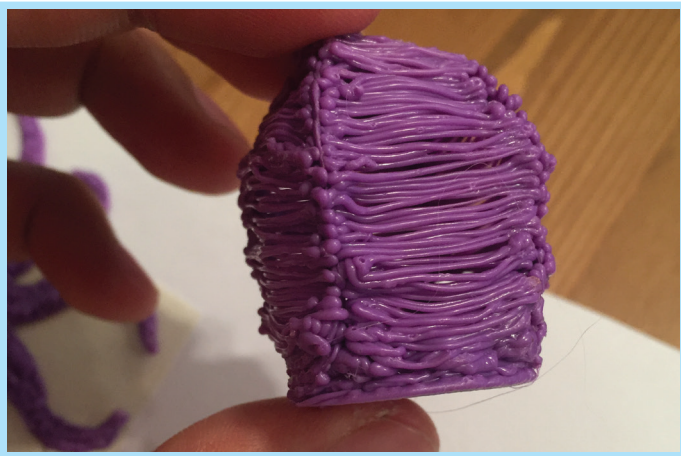

Print out the stencil and trace the pieces.
*Note there are only certain parts that needs to be filled in.

Step 2

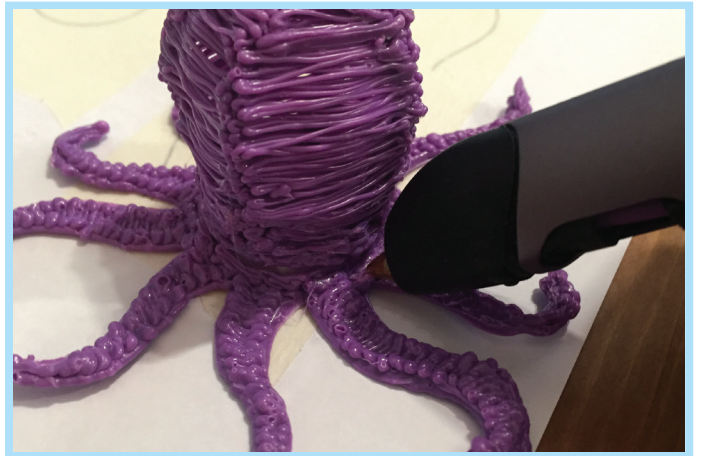

Attach "Head 1" and "Head 2" together, and then attach "Body" at the bottom.

Step 3

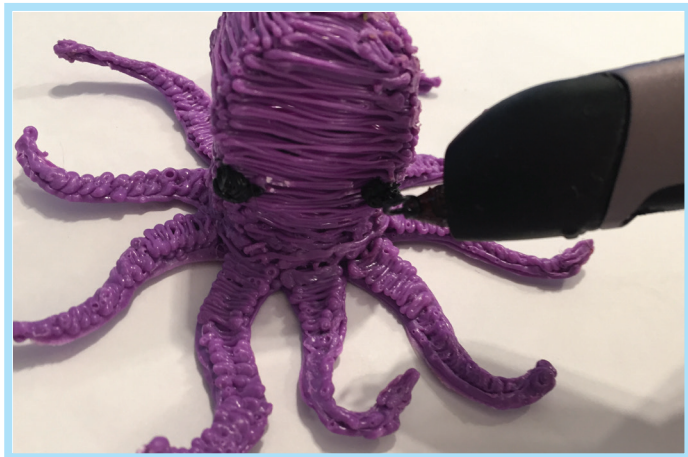

Fill up the head by free hand doodling on it.

Step 4

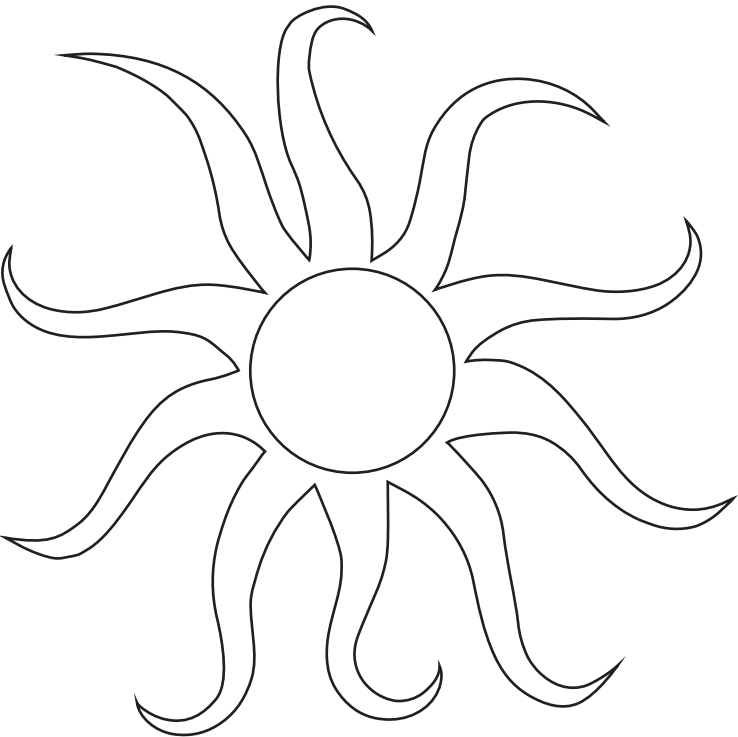

After filling up the head, attach the legs.

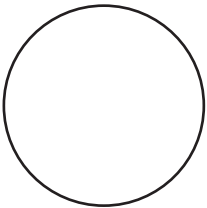

Done!

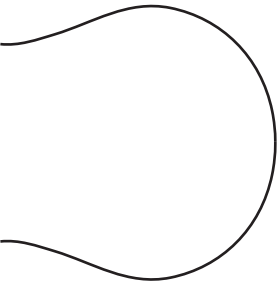

Finally, add the eyes and you are done!
