

Stencils

Step 1:

Print the stencils and cover it up with clear or masking tape.

Step 2:

Doodle the rim, and the temple of the glasses. Use any color you want. For a stronger rim and temple, doodle them twice.

Step 3:

Doodle the side of the temple for a smoother feel when wearing.

Step 4:

Doodle up the end piece on both sides.

Step 5:

You should have at least these three pieces

Step 6:

Combine the tip of the temple to the end piece of the glasses using FLEXY. Repeat on the other side of the glasses.

Step 7:

Decorate however you like.
